ministering to churches and missionaries with their computer needs

Brothers and Sisters in Christ, **August 2026**

This past June, we are now full time in ministry. As we travel, we encounter new requirements and solutions to different needs. We are constantly adding to our recommended solutions: LINK HERE

Summer Travels & Family: This summer we visited many places to see family and meet up with ministry contacts in Florida, Louisiana, Oklahoma, Texas, Tennessee, Ohio, Nevada, and California.

Churches visited in: Bonita Springs FL, Pensacola FL, Harrison TN, Murfreesboro TN, Rossville GA, McAlester OK, Cambridge OH, Byesville OH, Lancaster CA, Hesperia CA, Camarillo CA, Temecula CA, San Francisco CA. We offered IT support to pastors at all these churches.

Websites worked: Amazon4Christ.org, Brazil, Philippines, Hawaii. We were able to update and create websites while we were travelling.

Tech support: Provided support on site and remotely for missionaries from BIMI Home Office, Arizona, Hawaii, Tennessee, Spain, Nepal, Honduras, Uganda, and Brazil.

Ministry Connections made: Faith Bible Institute, Independent Fundamental Baptist Missionary Trails (IFBMT), Cyber-Missions, Biblical Return, Mission Display, BIMI CLAIM, Bearing Precious Seed, and others.

Future Trips: Japan in September 2026

Connect With Us: If you know of a church or ministry that requires technical assistance or has a project we can help with, please reach out. We are grateful for your prayers and support!

May the Lord bless you,
Ed and Armi Habal
