Information Technologists

ministering to churches and missionaries with their computer needs

Brothers and Sisters in Christ, **October 2026**

We had a busy September in Japan, so here is an update on our recent travels and work.

Freedom Baptist Church (Atsugi/Zama): We spent a week in Atsugi working with Pastor Ed and Elvie Navato on their IT issues. Created Furlough and banner videos. We are currently working on Facebook Ads to bring in more visitors.

Maranatha Baptist Church (Okinawa): We spent a week in Okinawa working with Pastor Chris Parker and Bro Al Allshouse. We assisted with network issues, website registrations, and Facebook issues. We also spent some time working on their sound system, which underwent a major overhaul, including a new mixer, wireless mics, wired mics, and configuration changes. Many non-functional devices are now functional.

Sasebo Baptist Church (Sasebo): We spent a week at Sasebo Baptist Church working with Pastor Fred and Roma Rojas. Worked on wiring a camera, network cables, wireless and wired mics and configuring the mixer for their sound system. We also set up the livestream on an existing laptop to move them from streaming from their cell phone. We are currently working on ministry update videos. Assisted with Microsoft 365 setup, printer setups, and remote security updates.

Yokosuka Baptist Church (Yokosuka): Sound System Troubleshooting. Room flood damage, mixer fried. Consulted on temporary replacement.

Christian School: Obtained 24 free unused computers from the DOW for Koolau Baptist Academy.

Hawaii Baptist College: Teaching Introduction to Computers.

Connect With Us: If you know of a church or ministry that requires technical assistance or has a project we can help with, please reach out. We appreciate your prayers and support!

May the Lord bless you,
Ed and Armi Habal
