

Ed and Armi Habal

Information Technologists

ministering to churches and missionaries with their computer needs

Brothers and Sisters in Christ,

Introduction: My name is Ed Habal and my wife is Armi Habal. We have 4 children all of whom are involved in ministry. We also have 5 grandchildren. I retired from the United States Air Force in 2003 and retired from Army Civil Service in 2023. I currently work as a contractor with the US Navy at Camp Smith in Hawaii. I have about 30 years of experience in all aspects of Information Technology. This is my side business here: https://okiweb.com/ed-habal/

Testimony: My testimony is that after I was saved at Maranatha Baptist Church in Okinawa, I felt God's call to assist with getting the Gospel out using my computer abilities. I felt led to move to Hawaii but I wasn't really sure why. Fast forward to April 2024 when I got laid off and realized God put me in Hawaii to get 20+ years of IT training. We went to Harrison, Tennessee to candidate with Baptist International Missions Inc and were accepted as associate missionaries. There is a QR code below that links to our vision.

Assistance: We currently assist a dozen ministries, including mission boards, churches, missionaries, Christian schools and colleges. Support is in the form of initial IT evaluations all the way to day-to-day maintenance. Support includes hardware, software, databases, programming, security, networking, websites, VOIP, and many other areas. We can assist on site or remotely as needed.

Contact me for any of your IT needs and forward this to ministries you know that may need help.

Thanks for your prayers and support!

Ed Habal
